MD Sakib

SOFTWARE ENGINEER

Email: mahbubalamsakib007@gmail.com

Cell : (+880) 1537506184

Git: https://github.com/md-sakib-dev

LinkedIn: https://www.linkedin.com/in/md-sakib-dev/

Summary And Career Objectives:
I am a smart and well-organized computer science graduated from UITS. Eager to learn more and obtain valuable expertise in the field of software engineering. I want to find a position where I can effectively contribute my talents and abilities to the organization's growth while also advancing my professional career.

Experience:

Worked as a Senior Executive at UITS

Computer Club

I have arranged programming contest, different kind of skill-development seminar and yearly departmental fest as an executive.

Personal Projects:

Clone-Movie-Server: This project was developed using React Java Script.

https://github.com/md-sakib-dev/Clone-Movie-Server-.git

E-commerce Project (Front-End): This is an e-commerce project. The front page was developed using HTML, Tailwind CSS, JavaScript and a little bit of Node JS and MongoDB.

https://github.com/md-sakib-dev/Furniture-Rent.git

Pizza Shop (Front-End): This project also developed using React Java Script.

https://github.com/md-sakib-dev/Pizza-Hut.git
